BOOK SYNOPSIS

More people get into medical school with a Kaplan MCAT course than all major courses combined. Now the same results are available with MCAT Organic Chemistry Review. This book features thorough subject review, more questions than any competitor, and the highest-yield questions available. The commentary and instruction come directly from Kaplan MCAT experts and include targeted focus on the most-tested concepts. MCAT Organic Chemistry Review offers: **UNPARALLELED MCAT KNOWLEDGE:** The Kaplan MCAT team has spent years studying every MCAT-related document available. In conjunction with our expert psychometricians, the Kaplan team is able to ensure the accuracy and realism of our practice materials. **THOROUGH SUBJECT REVIEW:** Written by top-rated, award-winning Kaplan instructors, all material has been vetted by editors with advanced science degrees and by a medical doctor. **EXPANDED CONTENT THROUGHOUT:** As the MCAT has continued to develop, this book has been updated continuously to match the AAMC's guidelines precisely—no more worrying if your prep is comprehensive! **"STAR RATINGS" FOR EVERY SUBJECT:** New for the 3rd Edition of MCAT Organic Chemistry Review, every topic in every chapter is assigned a "star rating"—informed by Kaplan's decades of MCAT experience and facts straight from the testmaker—of how important it will be to your score on the real exam. **MORE PRACTICE THAN THE COMPETITION:** With questions throughout the book and access to a full-length practice test online, MCAT Organic Chemistry Review has more practice than any other MCAT organic chemistry book on the market. **ONLINE COMPANION:** One practice test and additional online resources help augment content studying. The MCAT is a computer-based test, so practicing in the same format as Test Day is key. **TOP-QUALITY IMAGES:** With full-color, 3-D illustrations, charts, graphs and diagrams from the pages of Scientific American, MCAT Organic Chemistry Review turns even the most intangible, complex science into easy-to-visualize concepts. **KAPLANS MCAT REPUTATION:** Kaplan is a leader in the MCAT prep market, and twice as many doctors prepared for the MCAT with Kaplan than with any other course.* **UTILITY:** Can be used alone or with the other companion books in Kaplans MCAT Review series. * Doctors refers to US MDs who were licensed between 2001-2010 and used a fee-based course to prepare for the MCAT. The AlphaDetail, Inc. online study for Kaplan was conducted between Nov. 10 - Dec. 9, 2010 among 763 US licensed MDs, of whom 462 took the MCAT and used a fee-based course to prepare for it.
